Economic Injury Disaster Loan Assistance

Small business owners in all U.S. states, Washington D.C., and territories are currently eligible to apply for a long term low-interest loan due to Coronavirus (COVID-19).

The SBA's Economic Injury Disaster Loan program provides small businesses with working capital loans of up to \$2 million that can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.

If you are applying for disaster assistance for another declaration, then please see the home owner's and renter's form [here](#).
